EDUCATION

Bachelor of Technology in Computer Science, SRM IST, NCR Campus
DAV Public School, Sahibabad

June 2028
May 2024

INTERNSHIP/TRAINING EXPERIENCE

CS50's Introduction to Programming with Python

Mar 2025

CS50P students are proficient in

- How to program using Python using different libraries
- How to create test cases for each program
- Build real world projects

PROJECTS

Online OD (On-Duty) Management System

Feb 2023 – Mar 2023

- Built a web-based application that enables students to mark OD for any event in the college. It also helps the teachers to review and save the information regarding the ODs.
- Created using HTML, CSS, Javascript, Python-Flask and MySQL.

Image Processing with Intel oneAPI DPC++

Feb 2023 – Mar 2023

- Built a comparison program using Intel oneAPI. Processes 3 types of image: Blur, Edge & Grayscale.
- Created using C++, Shell and Intel oneAPI Toolkit.
- Runs Serial Processing using CPUs and Parallel Processing using Intel GPUs.

SKILLS

Technical

Python
Solidity
MySQL
C/C++
HTML, Tailwind CSS, Javascript

Professional

Effective Communication Skills
Ability to identify and solve problems
Interpersonal Skills
Team Management
Leadership

EXTRA/CO-CURRICULAR ACTIVITIES

- Coordinated BuildWithIndia (HackwithIndia, March 2025).
- Won first position in the category “Hindi” in singing on state level (Bharat Vikas Parishad, October 2023).
